

Sunday 11/25/18 Notes Expectations Within the Change

ISAIAH 42: 6-9

MATTHEW 4.....WHY CHANGE COMES

When a dispensation has been fulfilled it is time for something new

NEW = FRESH....God causes change because he desires to do fresh things

Godly change is not a reflection on what was ...but it is a statement of what is

CHANGE lets us know what is needed now

CHANGE comes because newness causes life

NEWNESS EQUALS LIFE

1. CHANGE COMES BECAUSE THERE IS A NEW WORK ...and the new work that God wants to do is always spoken of before

The new work is to perform God's will for this time

CHANGE COMES BECAUSE...

- a. The new work will save new people
- b. The new work needs a new voice
- c. The new work will utilize new people

New people are not a replacement their additions

New people can do a fresh work

When training a new person, I need to be listening to them

PHILIPPIANS 2

CHANGE COMES BECAUSE ...

2. THERE IS A NEW POSITION

God needs me to get into a new position so that he can get the glory

A NEW POSITION IS NOT ALWAYS A PROMOTION

A new position is because there is something you can't see or do from your present position

A new position

- a. will cause me to see myself differently

A new position

b. will cause me to be a servant

Whenever God changes my position it is so that I can serve

When God wants me to serve, He wants me to serve in a new way

Change comes:

c. Because a new position will challenge me to be obedient

OBEDIENT MEANS ...TO HAVE A LISTENING EAR

3. CHANGE COMES BECAUSE THERE IS NEW GROWTH... FRESH GROWTH

If I see the new work and the new position as something that I am not a part of it is because I don't have an obedient ear

CHANGE COMES BECAUSE GOD NEEDS...

a. God new growth in me

b. There needs to be new growth in others

c. New growth is needed in the body
